

Hi Stefan,

The walkway looks fantastic; I was so impressed with the quality of work and the speed at which your guys completed their job. They tidied up after themselves each day, and left the site neat and tidy too. Even when I was picky about the placement of one of the stones, they smiled and said "of course we will change that".

Thanks again for the wonderful workmanship, professional service, and of course you can use me as a reference.

Thanks so much,

*Audrey*
