

Dear Stefan, Vince,

My husband and I are very pleased and impressed with the work your company has done for us. Our backyard is just as we have envisioned. Your professionalism and dedication throughout the project were truly second to none. I cannot believe how smoothly the entire project went in spite of the unpredictable weather. A big thank you to you and Vince for keeping on top of things, and to all the workmen who were involved with the project. I'll highly recommend your company to all my friends who may need your services in the future. Keep up the good work!

Best regards,  
Chiya
